

DRY COLOR SYSTEM

The pursuit of natural ,True stone demeanour

**SOLUTION:**

Boffin's Easy-color series (full-body tiles) has very high degree of simulation. Comparing the polished 45degree angle and oblique ramen over depth of 6cm,the vein is almost same between body and surface, The stereo is super strong as natural marble.

The embracing of the large size full-body tiles gives slotted, edge down, cutaway, and 3D puzzle extensive using space to meet the different needs of surface decoration of wall and floor.

Various textures of glazed tiles, Rustic tile,Outside wall tile,Complete polished glazing tile,Marble tile,Glazed stone,Composite stone body.

**DRY COLOR SYSTEM:**

In 2015, Boffin began to introduce this technology in China. Boffin improved some technical aspects, in order to be more effectively meet for the Asian customer's needs.

**PERFORMANCE OVERVIEW:**

**-Cabin Inventory, Digital Management**

Combined 4,6,8 channels. Simultaneously fill up the pigment.No need cleaning. Independent tank body pigment. Automatically suit with all color powder suit.

**-Fast converting.High efficiency, low loss**

Long life of the inner cabin.Never need cleaning. Automatic batching by electronic scale. Integrated productivity increased by 30%.Base material is zero waste.

**-Economic advantages:**

- 1.Reduce cleaning of spray dryer.
- 2.Increasing the output of the spray dryer.
- 3.Reducing the pigment preparation and transportation costs.
- 4.To extend the service life of the spray dryer.
- 5.Reduce carbon dioxide emissions.

**-Range of application:Outside wall tile, Polished tile, Rustic tile, Marble tile etc.**

## ENTERPRISE

PROFILE:

Guangdong Boffin Mechanical and Eletrical Co., Ltd. has more than 300 users in the world. Professional for ceramics factories tailored technology, such as Magical Grinding System, Omni-directional Feeding System, Dry-color System (full-body tile), and Powder Dry process technology.

### CORPORATE CULTURE

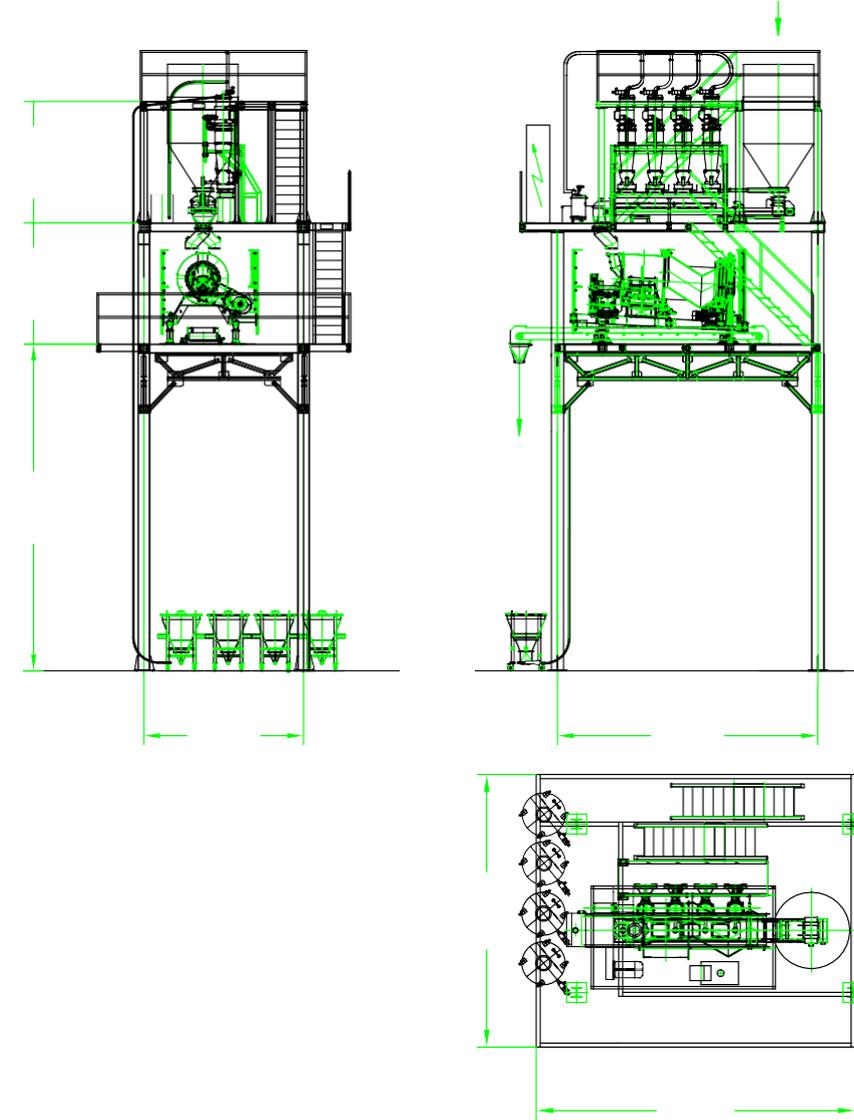

Enterprise goal: To be extensive and profound, to achieve mutual brilliance  
 Business philosophy: Innovate your creativity  
 Service tenet: Aiming at exceeding customers' requirements  
 Team spirit: Uncompromising responsibility and dedication.

### MANAGEMENT STYLE

Quality—Enterprise brand, human-oriented quality Innovation—Pioneering and taking the lead  
 Talent—Human orientation, respect for talents  
 Responsibility—Taking responsibility courageously, making contributions enthusiastically  
 Harmony—Harmonious cooperation, harmonious development
